

L3, LE and LEF Series

Blank steel panels for 19" wide
EIA racks and cabinets

Steel Flanged Panels - L3 Series and LE Series

Lowell L3 and LE Series blank panels are 14 and 18 gauge steel respectively with a .625" flange for strength and rigidity. L3 Series are finished in wrinkle black powder epoxy paint to match Lowell racks and cabinets*, while LE Series (economy) are finished in smooth semi-gloss powder epoxy. For ordering convenience, panels are sold in single units and bulk contractor/master cartons. Panel mounting screws in a variety of head styles are available to meet application needs; see page 2. *Two L3 Series are included as top closure panels with each Lowell ganging rack and floor cabinet.
